

100% Cotton Liner Gloves (12 Pairs)

SKU: G-G301 | Sizes: Small, Medium, Large, Extra Large

Features & Benefits

- ◆ **100% Cotton Construction:** Made from 100% cotton, these gloves are soft, breathable, and comfortable for all-day wear.
- ◆ **Absorbent and Moisture-Wicking:** These gloves are highly absorbent, helping to keep your hands dry and comfortable by absorbing sweat and moisture, ideal for long shifts or heavy-duty tasks.
- ◆ **Comfortable and Lightweight:** The lightweight design of the gloves allows for ease of movement and ensures comfort even during extended wear.
- ◆ **Protection for Extended Wear:** The full-finger design acts as a buffer between the skin and outer gloves, helping to prevent irritation and enhancing comfort during prolonged use.
- ◆ **Durable:** These gloves are designed to be tough and durable, suitable for use in various environments that demand both comfort and protection.
- ◆ **Available in 4 Sizes:** Offered in Small, Medium, Large, and Extra Large to provide the best fit for different hand sizes.
- ◆ **Pack Size:** Sold in **packs of 12 pairs**, providing great value for bulk users or teams.

About the 100% Cotton Liner Gloves (12 Pairs)

100% Cotton Liner Gloves – Lightweight, Absorbent, and Comfortable

These 100% Cotton Liner Gloves are the perfect solution for added comfort and protection during extended glove wear. Designed to be lightweight, absorbent, and durable, they act as a barrier between the skin and outer gloves, offering enhanced comfort in medical, laboratory, assembly, and other professional environments.

Specifications:

- **Material Composition:** 100% Cotton for comfort, breathability, and moisture absorption
- **Sizes Available:** Small, Medium, Large, Extra Large
- **Pack Size:** 12 pairs per pack
- **Design:** Full-fingered for complete protection and comfort
- **Absorbency:** Highly absorbent, perfect for maintaining dry hands during long wear

These 100% Cotton Liner Gloves are the perfect choice for anyone seeking extra comfort and protection when wearing gloves for extended periods. Whether for medical, laboratory, or assembly work, these absorbent and breathable gloves are designed to keep you comfortable and dry.
