SKU: 503-645

Features & Benefits

- ◆ Compatible with the 110mm Flexi Hose
- ◆ Reduces diameter from 110mm to 75mm for efficient airflow
- ◆ Flexible rubber construction for secure and stable connections
- ◆ Ideal for industrial filtration and extraction systems
- ◆ Durable and reliable for long-term use

About the 110mm-75mm Rubber Reducer

The BOFA 110mm-75mm Rubber Reducer is a durable and flexible component designed for use with the 110mm Flexi Hose.

This high-quality rubber reducer efficiently reduces the pipe diameter from 110mm to 75mm, ensuring optimal airflow and suction within your extraction system.

Perfect for industrial applications, it provides a secure and stable connection while enhancing overall filtration performance for long-lasting results.
