- ◆ Suitable for air, dust, gases, and sawdust
- ◆ Compatible with 110mm connection points
- ◆ Available in lengths up to 10 metres
- ◆ Ideal for use in extraction systems with additional accessories and adaptors available

About the 110mm Flexible Hose (per metre)

The BOFA A1080028 110mm Flexible Hose is the perfect solution for connecting your extraction pump to a 110mm arm and nozzle attachment.

Manufactured from durable PVC with a steel spiral, this hose is designed for smooth airflow and efficient extraction of air, dust, gases, and sawdust.

Priced per metre, it's ideal for both small and large-scale installations.

Available in varying lengths (up to 10m), the hose ensures a flexible, secure, and seamless connection for your extraction system needs.
