

# 110mm Y Piece with 50mm branch

SKU: 503-641

## Features & Benefits

- ◆ Compatible with the 110mm Flexi Hose
- ◆ Splits airflow from 110mm to a 50mm branch for flexible configurations
- ◆ Ensures secure and stable connections for optimal performance
- ◆ Ideal for industrial filtration and extraction systems
- ◆ Durable construction for long-lasting reliability

## About the 110mm Y Piece with 50mm branch

The BOFA 110mm Y Piece with a 50mm branch is a versatile and efficient connector designed to split airflow from a 110mm Flexi Hose into a 50mm branch.

Ideal for industrial fume extraction systems, this Y piece allows for flexible configurations, enabling you to connect both larger and smaller extraction points.

Its durable construction ensures reliable, stable connections, enhancing the overall performance of your extraction system.
