

110mm Y Piece with 75mm branch

SKU: 503-642

Features & Benefits

- ◆ Compatible with the 110mm Flexi Hose
- ◆ Splits airflow from 110mm to a 75mm branch for flexible extraction configurations
- ◆ Ensures secure and stable connections for optimal system performance
- ◆ Ideal for industrial filtration and extraction systems
- ◆ Durable construction for long-lasting reliability in high-demand environments

About the 110mm Y Piece with 75mm branch

The BOFA 110mm Y Piece with a 75mm branch is a reliable and flexible connector designed to split airflow from a 110mm Flexi Hose into a 75mm branch.

Perfect for industrial fume extraction systems, this Y piece allows you to easily connect multiple extraction points with different hose sizes, enhancing the flexibility and efficiency of your system.

Its durable construction ensures secure, stable connections for long-term performance in demanding environments.
