

125mm Jubilee Clips

SKU: 503-648

Features & Benefits

- ◆ **Compatible with 125mm Flexi Hose:** Perfect fit for 125mm diameter hoses.
- ◆ **Adjustable Design:** Allows for a secure and customisable fit for different pipework setups.
- ◆ **Durable Construction:** Built to last and withstand industrial environments.
- ◆ **Leak-Free Seal:** Ensures a tight, secure connection for optimal fume extraction.
- ◆ **Easy to Use:** Simple to install and adjust for hassle-free hose management.

About the 125mm Jubilee Clips

The BOFA 125mm Jubilee Clips are designed to secure the 125mm Flexi Hose in pipework systems, ensuring a tight and leak-free connection.

These high-quality clips provide a reliable, adjustable solution to keep your hoses securely in place, making them ideal for use in fume extraction systems where stability and performance are crucial.
