

# 125mm Y Piece

SKU: 503-650

## Features & Benefits

- ◆ Compatible with the 125mm Flexi Hose
- ◆ Splits airflow into two channels for multiple extraction points
- ◆ Ensures secure and stable connections
- ◆ Ideal for industrial filtration and extraction systems
- ◆ Durable construction for long-lasting reliability

## About the 125mm Y Piece

The BOFA 125mm Y Piece is a high-quality connector designed to split airflow efficiently within your extraction system.

Compatible with the 125mm Flexi Hose, this Y piece allows you to divide the airflow into two separate channels, ensuring optimal suction and performance across multiple extraction points.

Ideal for industrial environments, it provides secure and stable connections, enhancing the flexibility and efficiency of your fume extraction setup.
