- ♦ Ideal for delicate and detailed tasks

About the 3SA TWEEZERS

The 3SA Tweezers are crafted for precision, featuring a very fine rounded point and bevelled edges for superior accuracy and control.

With a 110mm length, these tweezers are perfect for handling delicate tasks that require the utmost care, such as eyebrow shaping, intricate crafts, or technical applications.

Their ergonomic design ensures comfort, making them an essential tool for professionals and home users alike.
