

420 x 320mm Clear Hood - FumeKART

SKU: 503-396

Features & Benefits

- ◆ Compatible with FumeKART 75mm arm
- ◆ 420x320mm clear hood for effective fume extraction
- ◆ Ensures a cleaner and safer working environment
- ◆ Ideal for laser applications, soldering, and other fume-generating processes
- ◆ Durable and easy to install
- ◆ Enhances filtration system performance

About the 420 x 320mm Clear Hood - FumeKART

The BOFA 420 x 320mm Clear Hood for FumeKART (75mm arm) is an essential attachment for effective fume extraction in a variety of industrial applications.

Designed to fit the 75mm arm of the Fume KART, this clear hood provides precise fume capture in compact workspaces.

With a 420 x 320mm size, it efficiently captures airborne particles and gases, ensuring a safer and cleaner environment for operators working with laser systems, soldering, or other processes generating fumes.
