

500mm Clear Round Hood - FumeKART

SKU: 503-399

Features & Benefits

- ◆ Designed for use with FumeKART 100mm arm
- ◆ 500mm diameter clear round hood for extensive fume capture
- ◆ Efficiently filters fumes and particulates in larger work areas
- ◆ Enhances safety by maintaining a clean working environment
- ◆ Ideal for industrial applications, including laser processing and soldering
- ◆ Easy to attach and maintain
- ◆ Compatible with BOFA's high-performance filtration systems

About the 500mm Clear Round Hood - FumeKART

The BOFA 500mm Clear Round Hood for Fume KART (100mm arm) is a high-quality attachment designed to offer superior fume extraction for larger work areas.

With a 500mm diameter, this clear round hood provides optimal coverage, ensuring the efficient capture of harmful particles and gases in industrial environments.

Compatible with the 100mm arm of the Fume KART, this attachment is ideal for a wide range of applications, from laser processing to soldering, ensuring a cleaner and safer workspace for operators.
