

50mm Cobra Clip

SKU: 503-609

Features & Benefits

- ◆ **Designed for 50mm Suction Hose:** Perfectly fits 50mm diameter hoses for secure attachment.
- ◆ **Durable Construction:** Built to last and withstand heavy-duty usage.
- ◆ **Reliable Hose Connection:** Prevents dislodgement and maintains a leak-free seal.
- ◆ **Easy Installation:** Simple to use for quick and efficient setup.
- ◆ **Ideal for Fume Extraction Systems:** Ensures optimal hose stability in industrial and laboratory settings.

About the 50mm Cobra Clip

The BOFA 50mm Cobra Clip is designed for securing 50mm suction hoses in pipework applications.

This robust clip ensures a firm and reliable connection, preventing hose dislodgement or leaks during operation.

Ideal for use in fume extraction systems, the Cobra Clip provides a secure and efficient solution to maintain optimal performance in industrial or laboratory environments.
