- ◆ Ergonomically crafted for ease of use and comfort
- ◆ The 5ASA Tweezers feature fine points with an angled design, offering superior visibility and control for precision tasks

About the 5ASA TWEEZERS

The 5ASA Tweezers feature fine points with an angled design, offering superior visibility and control for precision tasks. With a 110mm length, these tweezers provide a comfortable grip and are perfect for delicate tasks such as eyebrow shaping, splinter removal, and detailed crafting. The angled tips allow for better access and visibility, ensuring accurate handling in hard-to-reach areas.
