

## 70% Alcohol Hand Gel - 500ml Pump

SKU: 350-167

### Features & Benefits

- ◆ **70% Alcohol:** Provides effective disinfection, killing a wide range of harmful microorganisms.
- ◆ **Quick Acting:** Starts working immediately to cleanse and disinfect hands.
- ◆ **Rapid Evaporation:** Dries quickly, leaving hands feeling clean and non-greasy.
- ◆ **Un-Perfumed:** No added fragrances, suitable for sensitive skin or environments where scent-free products are preferred.
- ◆ **500ml Pump:** Convenient pump dispenser for easy use in offices, hospitals, schools, or at home.

### About the 70% Alcohol Hand Gel - 500ml Pump

**This 70% Alcohol Hand Gel is designed for quick, effective hand sanitisation.**

It offers rapid evaporation and delivers a highly effective disinfecting action, killing harmful bacteria and viruses.

The gel is un-perfumed, making it ideal for those who prefer a neutral scent while still benefiting from powerful sanitation.
