

70% Alcohol Hand Gel - 5 Litre Refill

SKU: 350-165

Features & Benefits

- ◆ **70% Alcohol:** Ideal for disinfecting hands quickly, killing harmful germs and viruses.
- ◆ **Quick Acting:** Begins working instantly, providing immediate disinfection.
- ◆ **Rapid Evaporation:** Dries fast, leaving no sticky residue or greasy feeling.
- ◆ **Un-Perfumed:** No fragrance, perfect for environments that prefer scent-free products.
- ◆ **5 Litre Refill:** Cost-effective, perfect for refilling smaller **500ml Hand Sanitiser Bottles** or larger dispensers.

About the 70% Alcohol Hand Gel - 5 Litre Refill

This 5 Litre Refill of 70% Alcohol Hand Gel is perfect for refilling larger bottles, ensuring you always have an ample supply of hand sanitiser.

It provides quick and effective sanitisation with rapid evaporation and is un-perfumed, making it suitable for sensitive skin and environments where fragrance-free products are preferred.
