

75mm - 50mm reducer

SKU: 503-615

Features & Benefits

- ◆ **Size Reduction:** Converts 75mm hoses to 50mm, providing flexibility in hose connections.
- ◆ **Rigid PVC Construction:** Durable, robust material designed for long-lasting use.
- ◆ **Solvent Welded Fitting:** Ensures a secure, leak-proof connection for optimal performance.
- ◆ **Compatible with 75mm Flexi Hose:** Seamlessly integrates with 75mm hoses for efficient extraction.
- ◆ **Ideal for Industrial and Laboratory Use:** Perfect for systems requiring size adaptability and reliable airflow.

About the 75mm - 50mm reducer

The BOFA 75mm - 50mm Reducer is a high-quality rigid PVC fitting designed to reduce hose sizes from 75mm to 50mm, ensuring a secure and leak-free connection.

Solvent welded for a strong and durable bond, this rigid fitting is perfect for use with the 75mm Flexi Hose in fume extraction systems. It allows for smooth and efficient airflow while adapting to different pipework sizes, making it ideal for industrial and laboratory applications.
