

75mm Cobra Clip

SKU: 503-618

Features & Benefits

- ◆ Securely fastens 75mm suction hoses to pipework
- ◆ Ensures a tight, reliable connection for efficient fume extraction
- ◆ Durable design for long-lasting use
- ◆ Ideal for maintaining system integrity and performance

About the 75mm Cobra Clip

The BOFA 75mm Cobra Clip is designed to securely fasten 75mm suction hoses to your extraction system.

This durable clip ensures a tight connection between hose and pipework, providing reliable and efficient fume extraction.

Ideal for maintaining the integrity of your system, the Cobra Clip ensures that your hoses stay firmly in place during operation.
