- ◆ Bright yellow colour for easy visibility and identification
- ◆ Compatible with 75mm flexi hose for seamless integration
- ◆ Ensures a secure seal to prevent air leakage and maintain system efficiency
- ◆ Ideal for use in maintenance or closing off unused hose ends

### About the 75mm End Cap - Push on - Yellow

The BOFA 75mm End Cap - Push On - Yellow is designed for a secure and easy fit to the end of your 75mm flexi hose.

This vibrant yellow cap ensures a reliable seal, preventing air leakage and maintaining the efficiency of your extraction system.

Ideal for closing off unused hose ends or for system maintenance, this push-on end cap provides a quick and secure solution for fume extraction setups.
