

75mm T Piece

SKU: 503-623

Features & Benefits

- ◆ Compatible with the 75mm Flexi Hose
- ◆ Effectively splits airflow for multiple extraction points
- ◆ Ensures secure and stable connections
- ◆ Ideal for industrial filtration and extraction systems
- ◆ Durable construction for long-lasting reliability

About the 75mm T Piece

The BOFA 75mm T Piece is a durable and efficient component designed for use with the 75mm Flexi Hose.

Ideal for splitting airflow within your extraction system, this T piece ensures secure connections and optimal performance.

Perfect for industrial environments, it enhances the flexibility of your setup, allowing you to manage multiple extraction points while maintaining smooth airflow and suction.
