- ◆ Durable construction for long-lasting use
- ◆ The 7SA Tweezers feature a fine curved point, designed for precision and control when handling delicate tasks

About the 7SA TWEEZERS

The 7SA Tweezers feature a fine curved point, designed for precision and control when handling delicate tasks. With a 110mm length, these tweezers offer a comfortable grip, making them perfect for eyebrow shaping, fine grooming, or removing small splinters. The curved point ensures excellent accuracy, especially for tasks that require a more ergonomic approach, allowing you to work with confidence and ease.
