About the Amberclens - 400ml

AMBERCLENS - ANTI-STATIC FOAMING CLEANER

Ambersil Amberclens (400ml) is a powerful anti-static foaming cleaner designed to remove general grime, oils, and finger marks from various surfaces.

Ideal for post-maintenance cleaning, its anti-static formula inhibits dust attraction, keeping your equipment cleaner for longer.

Safe to use on plastics, metals, and painted or glazed surfaces, Amberclens is trusted across industries, with multiple approvals including Rail, NATO, Ford, Rolls Royce Aerospace, and more.

With a 6-year shelf life, it's the perfect solution for maintaining the cleanliness and functionality of your equipment.
