- ◆ Quick and easy to apply
- ◆ Non-toxic and biodegradable for safe use
- ◆ Ideal for paper, textile industries, and areas with airborne dust
- ◆ 6-year shelf life from the date of manufacture
- ◆ Trusted brand with over 60 years of industry experience

About the Anti-Static Spray - 400ml

ANTI-STATIC SPRAY - DISSIPATES STATIC BUILD UP

Ambersil Anti-Static Spray (400ml) is a highly effective solution for dissipating static build-up on any surface, making it ideal for maintenance tasks or as part of a static control programme.

It quickly reduces electrostatic charge, preventing damage to sensitive equipment. Easy to use, non-toxic, and biodegradable, this spray is particularly beneficial in industries like paper, textiles, and environments prone to airborne dust.

With a 6-year shelf life, it offers long-lasting, reliable static control.

Founded over 60 years ago, Ambersil is committed to providing top-quality products that meet the highest industry standards.
