- ◆ Durable materials including TPEE, GFN, POM, carbon steel, and zirconium oxide
- ◆ Featuring a self-retracting blade, this cutter ensures maximum protection against accidental injuries

About the Auto-Retractable Box Cutter with Ceramic Safety Blade

The Auto-Retractable Box Cutter with Ceramic Safety Blade is the ideal tool for improving workplace safety and cutting efficiency.

Featuring a self-retracting blade, this cutter ensures maximum protection against accidental injuries. Its ergonomic handle is designed for comfort and is suitable for both left- and right-handed users.

Additionally, the blade is chemically inert, rust-resistant, and non-conductive for enhanced safety in various environments.

This box cutter is perfect for quick, tool-free blade changes and provides long-lasting performance.

Comes with 1 x #10404 Rounded Box Cutter Blade

Compatible Blades:

- Rounded Box Cutter #10404
- Pointed Box Cutter #10408
