- ◆ **Cutting depth:** 0.94 inches

About the Auto-Retractable Metal-Handle Utility Knife with Ceramic Safety Blade

The Auto-Retractable Metal-Handle Utility Knife with Ceramic Safety Blade is a highly efficient, safety-focused tool designed to reduce workplace injuries without compromising performance.

Featuring an auto-retracting blade for added safety, it is compatible with multiple blades (sold separately) and comes with 1 x #10524 rounded utility blade.

The durable metal handle ensures long-lasting use in industrial settings, while its ambidextrous design makes it easy for all users.

The non-conductive, chemically inert zirconium oxide blade never rusts and lasts 11.2 times longer than traditional metal blades.

With a cutting depth of 0.94 inches and quick, no-tool blade changes, it is the perfect tool for any workplace.

Comes with 1 x #10524 Rounded Utility Blade

Compatible Blades:

- Utility Blades (Serrated) #10523
- Utility Blades (Rounded) #10524
- Utility Blades (Pointed) #10525
