- ◆ **Cutting depth:** 0.47 inches
- ◆ Featuring an automatic spring-loaded retraction for added safety, this knife is equipped with 1 x #10404 rounded box cutter blade and is compatible with multiple blade options (see Optional Extras)

About the Auto-Retractable Pen Cutter with Ceramic Safety Blade

The Auto-Retractable Pen Cutter with Ceramic Safety Blade offers a safer, more efficient cutting experience with a familiar pen design, making it comfortable and versatile for everyday use.

Featuring an automatic spring-loaded retraction for added safety, this knife is equipped with 1 x #10404 rounded box cutter blade and is compatible with multiple blade options (see Optional Extras).

The non-conductive, chemically inert ceramic blade never rusts and lasts 11.2 times longer than traditional metal blades.

The reinforced nylon handle ensures durability, while the integrated lanyard hole provides easy access.

This tool is suitable for both left- and right-handed users, ensuring safety and precision in any work environment.

Comes with 1 x #10404 Rounded Box Cutter Blade

Compatible Blades:

- Rounded Box Cutter #10404
- Pointed Box Cutter #10408
