

# BURGAZ S1P ESD Safety Shoe

SKU: GS-BURGAZ

## Features & Benefits

- ◆ **Lightweight, Unisex ESD Shoe**
- ◆ **High-Quality Italian-Made Footwear** – Premium ESD protection with comfort and durability for all-day wear in static-sensitive environments.
- ◆ **Low Design with Perspiring Fabric** – Built with abrasion-resistant technical fabric and MICRO-tech (1.8-2.0 mm thickness), ensuring durability and breathability.
- ◆ **ANTI-TORSION Insert** – Enhances foot stability on uneven ground to reduce fatigue and improve balance.

## About the BURGAZ S1P ESD Safety Shoe

### Burgaz ESD Safety Shoe – High-Quality Italian-Made Footwear for Maximum Comfort and Protection

The Burgaz ESD Safety Shoe is a top-quality Italian-made footwear solution designed for workers in static-sensitive environments. With a lightweight, metal-free design, this comfortable and durable shoe offers exceptional value for money. Certified to CE UNI EN ISO 20345:2012 S1P SRC ESD, the Burgaz ESD shoe provides reliable electrostatic discharge (ESD) protection while maintaining style and comfort throughout the workday.

Crafted with perspiring and abrasion-resistant technical fabric and MICRO-tech material (1.8-2.0 mm thickness), the Burgaz is built to withstand daily wear while allowing your feet to stay dry and cool. The 200J polymeric composite toecap offers impact protection without added weight, and the 3HYBRID polyurethane sole delivers shock absorption, anti-slip performance, and resistance to hydrocarbons and abrasion. The anti-torsion insert in the sole ensures stability and balance on uneven surfaces.

With its removable, breathable insole and metal-free construction, the Burgaz ESD shoe is the ideal choice for professionals seeking ESD safety footwear that meets the stringent IEC 61340-4-3:2017 standards for electrical resistance.

## Specifications

Property	Detail
ESD Class	Yes
Toecap	200J Polymeric Composite
Midsole	Flexible Antiperforation
Sole	3HYBRID Polyurethane
Insole	5000
Sizes	36-47
Weight	470 g (Size 42)
Application	ESD-protected areas, electronics mfg, cleanrooms
