

Barrel For WTP 90 / WXP 90

SKU: GW-B-WTP/WXP90

Features & Benefits

- ◆ Compatible with WTP 90 and WXP 90 soldering irons
- ◆ Provides optimal heat transfer for reliable performance
- ◆ Durable construction for long-lasting use
- ◆ Easy installation for quick and hassle-free replacement
- ◆ Ideal for precision soldering and heavy-duty applications

About the Barrel For WTP 90 / WXP 90

The Barrel for WTP 90 / WXP 90 Soldering Irons is a high-quality replacement part designed to ensure the smooth and efficient operation of your Weller WTP 90 and WXP 90 soldering irons.

This durable barrel provides a secure connection between the handle and heating element, ensuring optimal heat transfer and consistent soldering performance. Whether you're working on precision electronics or general soldering tasks, the Barrel for WTP 90 / WXP 90 helps maintain the stability and longevity of your soldering iron.

Easy to install, this essential component ensures your tool continues to perform at its best, making it a must-have for both professional and hobbyist users.
