- ◆ Helps improve storage efficiency and workspace tidiness

About the Bin Rail 2000mm

The Bin Rail 2000mm is a highly efficient and versatile storage solution designed to optimise workspace organisation.

With a length of 2000mm, this robust rail is ideal for hanging plastic bins and other accessories, helping to keep tools and components neatly organised and easily accessible.

The Bin Rail 2000mm is perfect for workstations, offering a simple way to maximise vertical storage space while reducing clutter on the workbench.

It is compatible with a wide range of standard louvre panel accessories and is easy to install, providing an excellent solution for tool organisation and storage efficiency in any industrial or office environment.
