

C-Shape Forming Pliers

SKU: GT-PNR5000D

Features & Benefits

- ◆ **Steel Thickness:** 5mm for durability
- ◆ **Total Length:** 150mm, offering a comfortable grip
- ◆ **Grip Model:** St
- ◆ **Copper Wire Compatibility:** Max \varnothing 0.8mm or 20 AWG
- ◆ **Forming Force:** 3kg, providing ample force for efficient use
- ◆ **Adjustable Cutting Length:** Min. 4mm - Max. 16mm
- ◆ **ESD-safe:** Protects sensitive components from electrostatic damage
- ◆ Ideal for PCB assembly and other electronic manufacturing tasks, these pliers feature ESD-safe handles to protect sensitive components from electrostatic discharge

About the C-Shape Forming Pliers

The C-Shape Forming Pliers (PNR 5000 D Plier) is a versatile, high-quality tool designed to cut and form the leads of components in a single, efficient step.

Ideal for PCB assembly and other electronic manufacturing tasks, these pliers feature ESD-safe handles to protect sensitive components from electrostatic discharge.

The adjustable stop allows for precise cutting lengths ranging from 4mm to 16mm, providing flexibility for various tasks.
