

CCL 100 - 400ml

SKU: 306-103

Features & Benefits

- ◆ 2-in-1 contact cleaner and lubricant for electrical switchgear and motor contacts
- ◆ Ideal for use on radar systems exposed to moisture
- ◆ Cleans, lubricates, and prevents corrosion in one application
- ◆ Removes light oils, grease, tarnish, and oxidation
- ◆ Reduces voltage drop between contacts
- ◆ Leaves an oily conductive film for contact protection
- ◆ 6-year shelf life from the date of manufacture

About the CCL 100 - 400ml

CCL 100 - 2-IN-1 CONTACT CLEANER LUBRICANT

Ambersil CCL 100 (400ml) is a 2-in-1 contact cleaner and lubricant, perfect for electrical switchgear, motor contacts, and radar systems exposed to moisture.

This versatile solution cleans, lubricates, and prevents corrosion all in one application. It effectively removes light oils, grease, tarnish, and oxidation while reducing voltage drop between contacts.

The product leaves a protective, oily conductive film that ensures long-lasting protection.

With a 6-year shelf life, CCL 100 is an essential tool for maintaining electrical components.
