

# CLEANROOM WIPES (300 Wipes)

SKU: G-SPW-1

## Features & Benefits

- ◆ Ultra-low lint fabric for superior cleaning performance
- ◆ High wet and dry strength, tear-resistant for durability
- ◆ Made from 55% cellulose and 45% polyester
- ◆ Suitable for final finish applications, such as on car bodies
- ◆ Solvent-resistant, ideal for use with alcohol for degreasing
- ◆ Supplied in a re-sealable dispenser pack with 300 wipes

## About the CLEANROOM WIPES (300 Wipes)

**CLEANROOM WIPES** are crafted from a superb grade, ultra-low lint fabric that provides both high wet and dry strength, making them perfect for polishing and cleaning applications in cleanroom environments.

These tear-resistant wipes are made from a blend of 55% cellulose and 45% polyester, ensuring durability and reliability.

Ideal for final finishes, such as on car bodies, and suitable for use with solvents or alcohol for high-quality degreasing.

Supplied in a convenient, re-sealable dispenser pack, these wipes are 9" x 9" (225mm x 225mm), offering excellent versatility for industrial and cleaning tasks.
