- ◆ Finger-friendly design for enhanced safety
- ◆ Made from ceramic for improved cutting performance
- ◆ 100% zirconium oxide blade for rust resistance
- ◆ Blade lasts 11.2x longer than metal blades, reducing frequent replacements

About the Ceramic Spare Blades (Pointed) #10408

The Box Cutter Blades (Pointed) #10408 are designed for precision and durability, making them perfect for tougher materials.

The pointed tip allows you to easily pierce and initiate cuts in the centre of materials, ensuring a clean and efficient cutting process.

Made from 100% zirconium oxide, these ceramic blades are rust-resistant and have an impressive lifespan, lasting up to 11.2 times longer than traditional metal blades.

Sold in **packs of four**, these blades are a reliable choice for both professionals and DIY enthusiasts.

Compatible Knives:

- Manual Pen Cutter #10513
- Auto-Retractable Pen Cutter #10512
- Auto-Retractable Box Cutter #10503
