### About the Classic Fit Track Polo - 13 COLOURS

The Kustom Kit Classic Fit Track Polo combines a classic men's fit with sporty contrast detailing, making it a versatile choice for teamwear, work uniforms and everyday casual outfits. Available in 13 colour combinations, it's easy to find a look that complements your team or company colours.

A ribbed flat-knit collar and three-button placket create a neat finish, while contrast side and underarm panels with tipping give the polo its distinctive look. Contrast detailing at the back neck and side vents completes the design, with the vents allowing ease of movement. Reinforced shoulder seams, double-stitched shoulders and armholes, and twin-needle stitching at the hem and cuffs add practical finishing details. Supplied with a spare button, this polo is available in sizes XXS–3XL, with a fabric weight of 200g/m<sup>2</sup>
