

Combination Scissors PH-57 (2-IN-1 Heavy Duty Blade)

SKU: 201-323

Features & Benefits

- ◆ 2-in-1 heavy-duty stainless steel blades for cutting tough materials like Kevlar, leather, and cabtyre cord
- ◆ Strong and sharp blades for maximum cutting versatility
- ◆ Large comfort grip handles with an enlarged 'thumb pad' for increased cutting force
- ◆ Integrated 'finger guard' for safe operation and to prevent finger pinching
- ◆ Rust-proof stainless steel body for durability
- ◆ Supplied with a matching protective cap for safety
- ◆ Made in Japan, ROHS compliant for quality and safety standards

About the Combination Scissors PH-57 (2-IN-1 Heavy Duty Blade)

The Combination Scissors PH-57 are designed for heavy-duty cutting of tough materials such as Kevlar, leather, and cabtyre cord—tasks that ordinary scissors cannot handle.

Equipped with strong, sharp, and durable 2-in-1 stainless steel blades, they offer maximum versatility for challenging cutting tasks.

The large comfort grip handles feature an enlarged 'thumb pad' for applying maximum force, while the integrated 'finger guard' ensures safe operation by preventing finger pinching.

With a rust-proof stainless steel body and a matching protective cap, these scissors are a reliable tool for both professional and hobbyist use.
