- ◆ Blade lasts 11.2x longer than metal blades

## About the Craft Blades (Straight Edge, Pointed Tip) #10519

**The Craft Blades (Straight Edge, Pointed Tip) #10519 are designed for precision and durability.**

The straight edge retains sharpness significantly longer than traditional metal blades, ensuring consistent performance.

The pointed tip makes these blades perfect for intricate and precise cuts, allowing you to easily penetrate materials without difficulty. Made from 100% zirconium oxide, these ceramic blades never rust and last up to 11.2 times longer than metal blades, offering superior longevity and reliability.

Sold in **packs of four**, these blades are ideal for detailed crafting tasks.

### Compatible Knives:

- Craft Knife #10548
- Craft Knife (safety cap) #10589
- Scalpel (replaceable blade) #10568
