- ◆ Blade lasts 11.2x longer than traditional metal blades

About the Craft Blades (Straight Edge, Rounded Tip) #10518

The Craft Blades (Straight Edge, Rounded Tip) #10518 are designed for precision, offering a straight edge that retains sharpness much longer than traditional metal blades.

The rounded tip provides a safer cutting experience, reducing the risk of lacerations while maintaining control for intricate tasks.

These blades are perfect for creating controlled, precise cuts in various materials. Made from 100% zirconium oxide, the ceramic blade never rusts and lasts up to 11.2 times longer than metal blades.

Sold in **packs of four**, these blades offer both safety and durability for all your crafting needs.

Compatible Knives:

- Craft Knife #10548
- Craft Knife (safety cap) #10589
- Scalpel (replaceable blade) #10568
