About the Craft Knife (safety cap) with Ceramic Safety Blade

The Craft Knife with Ceramic Safety Blade is the ultimate tool for precision crafting.

Featuring a durable handle with an anti-slip grip, it offers complete control for comfortable use.

The integrated safety cap is conveniently attached to the knife and slides over the blade to protect you when not in use.

To expose the blade, simply twist the cap, slide it down, and rotate it back into place. The 100% zirconium oxide ceramic blade ensures long-lasting performance, lasting 11.2 times longer than metal blades and never rusting.

This versatile tool is compatible with multiple blades, making it perfect for various crafting tasks.
