- ◆ Cutting depth of 0.59 inches
- ◆ **Materials:** GFN, brass, PP, and zirconium oxide
- ◆ Featuring a non-conductive and rust-resistant ceramic blade, this knife ensures long-lasting performance and durability

About the Craft Knife with Ceramic Safety Blade

The Craft Knife with Ceramic Safety Blade is the ideal tool for precision cutting, offering enhanced safety and control with a reduced risk of lacerations.

Featuring a non-conductive and rust-resistant ceramic blade, this knife ensures long-lasting performance and durability. Its textured control grip allows for intricate cuts and shapes, while the reinforced nylon handle ensures reliability.

The attachable safety cap provides additional protection when the knife is not in use.

This versatile tool is compatible with multiple blades and is designed for both left- and right-handed users, making it perfect for a variety of crafting tasks.

Comes with 1 x #10518 Craft Blade (Straight Edge, Rounded Tip)

Compatible Blades:

- Craft Blades (Straight Edge, Rounded Tip) #10518
- Craft Blades (Straight Edge, Pointed Tip) #10519
- Craft Blades (Curved Edge, Rounded Tip) #10520
- Corner-Stripping Blades #10532
- Chisel Blades #10534
