- ◆ **Colour Accuracy:** CRI over 95 for true-to-life colour rendering.
- ◆ **Versatile Use:** Ideal for reading, treatments, crafting, sewing, and photography.
- ◆ **Design:** Elegant white/grey colour, stylish and functional for any setting.

About the Daylight Foldi Go Lamp

The Daylight Foldi Go Lamp is a brilliantly bright, rechargeable, and portable light source designed for ultimate flexibility and convenience.

With a height-adjustable arm and rotating head, this compact lamp ensures the highest quality light exactly where you need it. Perfect for a wide range of tasks, from reading and treatments to crafting, painting, and photography, it offers a CRI of over 95 for accurate colour rendering.

Use it wirelessly or plug it in, and adjust the brightness to suit your needs. It folds up easily for storage and transport, making it ideal for on-the-go use.
