

# DentalPRO Plenum Funnel Arm

SKU: 503-418

## Features & Benefits

- ◆ 50mm Stay Put Arm for stable and adjustable positioning
- ◆ Funnel design for efficient dust and fume capture
- ◆ Ideal for use with DentalPRO extraction systems
- ◆ Enhances safety by improving air quality in dental laboratories
- ◆ Part of BOFA's range of specialist dust and fume extraction accessories

## About the DentalPRO Plenum Funnel Arm

The BOFA DentalPRO Plenum Funnel Arm - 50mm Stay Put Arm is a durable and versatile accessory designed for optimal dust and fume extraction in dental laboratories.

Its 50mm stay-put arm allows for secure positioning, while the funnel arm design ensures effective capture of airborne particles during dental procedures.
