About the EARTH ESD Safety Trainer - ECO Friendly

Earth ESD Safety Trainer – High-Quality Italian-Made Footwear

The Earth ESD Safety Trainer is a premium Italian-made footwear solution designed to offer outstanding ESD protection, comfort, and eco-conscious features. Built for those who require safe, high-performance footwear in ESD-sensitive environments, this unisex trainer ensures maximum protection from electrostatic discharge, while also maintaining a strong commitment to sustainability. Perfect for industries like electronics, pharmaceuticals, or semiconductors, the Earth ESD Safety Trainer complies with the EN ISO 20345:2011 safety standard, providing a comfortable and lightweight design without compromising safety or environmental responsibility.
