

ESD Smoke Absorber QUICK 493E

SKU: GQ-493E

Features & Benefits

- ◆ **ESD Safe** design for electronics applications
- ◆ **Power consumption:** 14W (60Hz) / 16W (50Hz)
- ◆ **High absorption capacity:** 0.93/1.07m³/min
- ◆ **Compact dimensions:** 167(L) x 101(W) x 182(H) mm, weight approx. 1.5kg
- ◆ **Adjustable angle** for flexible placement and easy mobility
- ◆ **Low noise** and long-lasting fan for continuous operation
- ◆ **Comes with 3 replacement filters**, made with premium activated carbon and urethane foam
- ◆ Ideal for removing soldering fumes quickly and efficiently
- ◆ The 493E features a high-quality replaceable filter made from special urethane foam and activated carbon, providing long-lasting and reliable performance

About the ESD Smoke Absorber QUICK 493E

The Quick 493E ESD Smoke Absorber efficiently removes noxious fumes, creating a safer and more comfortable working environment.

With a powerful absorption capacity of about 0.93/1.07m³/min, this smoke extractor ensures quick and effective fume extraction. Its ESD-safe design makes it ideal for electronic work, while the low noise level and long-lifetime fan ensure minimal disruption. The 493E features a high-quality replaceable filter made from special urethane foam and activated carbon, providing long-lasting and reliable performance.
