

## F02 - Flat Nozzle

SKU: GW-F02

### Features & Benefits

- ◆ Flat nozzle design for targeted airflow
- ◆ Compatible with HAP 1, HAP 200, and WXHAP 200 hot air tools
- ◆ Supplied as a single unit per package
- ◆ Part of Weller's professional-grade nozzle family
- ◆ Enhances precision and control during rework operations

### About the F02 - Flat Nozzle

**The Weller F02 Flat Nozzle is a high-quality accessory designed for precision work with hot air tools.**

Compatible with the HAP 1, HAP 200, and WXHAP 200 models, this nozzle is part of Weller's reliable range of hot air nozzles.

It comes in a package containing **one piece**, making it ideal for replacements or specific project needs.

Engineered for efficiency and control, the F02 ensures consistent airflow and optimal performance during soldering and rework tasks.
