

F04 - Flat Nozzle

SKU: GW-F04

Features & Benefits

- ◆ Flat nozzle for concentrated, controlled airflow
- ◆ Compatible with HAP 1, HAP 200, and WXHAP 200 hot air tools
- ◆ Supplied as a single unit per package
- ◆ Part of Weller's professional-grade nozzle family
- ◆ Ideal for precision soldering and rework tasks

About the F04 - Flat Nozzle

The Weller F04 Flat Nozzle is a precision-crafted attachment designed for use with the HAP 1 and HAP 200 hot air tools. As part of Weller's trusted range of hot air nozzles, it offers a focused airflow ideal for detailed soldering and rework applications. Each package contains **one nozzle**, making it a convenient option for both replacements and tool customisation. The F04 ensures effective heat distribution and enhanced control, contributing to professional-grade results.
