## About the GALAXY S3L FO SR ESD Safety Shoe

The GALAXY S3L FO SR Giasco ESD safety shoe combines durable construction with exceptional comfort.

Crafted with anti-scratch back leather (1.8-2.0 mm) and breathable, abrasion-resistant technical fabric, this low safety shoe ensures long-lasting performance in challenging work environments.

Featuring a metal-free design, it includes a 200J polymeric composite toecap for maximum protection, and the flexible PL midsole offers reliable puncture resistance.

The 3Cloud sole provides superior shock absorption, slip resistance, and protection against hydrocarbons, making it ideal for industrial settings.

The DryGo!® insole enhances comfort by quickly absorbing moisture, keeping feet dry and comfortable throughout the day.
