

GQ-10B-10D-01

SKU: GQ-10B-10D-01

Features & Benefits

- ◆ Compatible with Quick TS10 Soldering Station and TSS10A Soldering Iron
- ◆ 10mm chisel tip – perfect for medium to large solder joints
- ◆ Part of the TSS10B series for high heat applications
- ◆ Rapid heat-up and excellent thermal performance
- ◆ Durable construction for long-lasting use
- ◆ Ideal for electronics repair, assembly, and industrial applications

About the GQ-10B-10D-01

The **QUICK 10mm Chisel 10B-10D-01 soldering tip** is a high-performance tip designed for use with the **Quick TS10 Soldering Station** and the **TSS10A Soldering Iron**.

Part of the TSS10B series, it excels in high heat soldering applications, providing excellent thermal conductivity and quick heat recovery. The 10mm chisel shape ensures broad heat distribution, making it ideal for medium to large solder joints, power components, and general-purpose soldering tasks.

**** Tips are supplied individually. ****
