

GQ-10B-10D

SKU: GQ-10B-10D

Features & Benefits

- ◆ Compatible with Quick TS10 Soldering Station and TSS10A Soldering Iron
- ◆ 10mm chisel tip – suitable for medium to large solder joints
- ◆ TSS10B series – designed for high heat soldering tasks
- ◆ Fast heat-up and stable thermal performance
- ◆ Durable construction ensures long service life
- ◆ Ideal for electronic assembly, repair, and production use

About the GQ-10B-10D

The **QUICK 10mm Chisel 10B-10D soldering tip** is a reliable, high heat tip engineered for use with the **Quick TS10 Soldering Station** and the **TSS10A Soldering Iron**.

Designed as part of the TSS10B series, this tip delivers excellent thermal performance, ideal for professional soldering in demanding environments. The 10mm chisel design provides wide heat coverage, making it perfect for medium to large joints and power component applications.

**** Tips are supplied individually. ****
