

GQ-10B-10DU-01

SKU: GQ-10B-10DU-01

Features & Benefits

- ◆ Fits Quick TS10 Soldering Station and TSS10A Soldering Iron
- ◆ 10mm chisel tip – ideal for large solder joints and heat-intensive tasks
- ◆ TSS10B series – designed for high heat performance
- ◆ Delivers excellent thermal conductivity and fast recovery
- ◆ Durable construction for extended tip life
- ◆ Suitable for industrial, repair, and assembly work

About the GQ-10B-10DU-01

The **QUICK 10mm Chisel 10B-10DU-01 soldering tip** is built for compatibility with the **Quick TS10 Soldering Station** and the **TSS10A Soldering Iron**.

As part of the TSS10B series, it's engineered for high heat soldering applications, offering exceptional heat transfer and stability. The wide 10mm chisel design is perfect for larger joints or applications requiring broader heat coverage, making it ideal for heavy-duty soldering tasks across various electronics projects.

**** Tips are supplied individually. ****
