

## GQ-10B-12D

SKU: GQ-10B-12D

### Features & Benefits

- ◆ Compatible with Quick TS10 Soldering Station and TSS10A Soldering Iron
- ◆ 11.8mm chisel tip – ideal for medium to large solder joints
- ◆ Part of the TSS10B series for high heat applications
- ◆ Efficient heat transfer and rapid recovery time
- ◆ Rugged, long-lasting construction for intensive use
- ◆ Suitable for repair work, assembly lines, and heavy-duty soldering

### About the GQ-10B-12D

The QUICK 11.8mm Chisel 10B-12D soldering tip is a durable, high-performance tip designed for use with the Quick TS10 Soldering Station and the TSS10A Soldering Iron.

As part of the TSS10B series, it's built to handle high heat soldering applications with ease. The 11.8mm chisel shape provides excellent heat coverage, making it suitable for medium to large solder joints, power components, and other demanding tasks in electronic assembly and repair.

**\*\* Tips are supplied individually. \*\***
