

GQ-10B-6.5DU-01

SKU: GQ-10B-6.5DU-01

Features & Benefits

- ◆ Designed for Quick TS10 Soldering Station and TSS10A Soldering Iron
- ◆ 6.5mm chisel tip – ideal for medium soldering applications
- ◆ Part of the TSS10B series for high heat performance
- ◆ Fast heat-up and excellent thermal recovery
- ◆ Durable, long-lasting construction
- ◆ Suitable for electronics assembly, repair, and production work

About the GQ-10B-6.5DU-01

The **QUICK 6.5mm Chisel 10B-6.5DU-01 soldering tip** is a reliable, high-quality accessory designed for use with the **Quick TS10 Soldering Station and the TSS10A Soldering Iron**.

As part of the TSS10B high heat series, it delivers excellent thermal performance and durability, ideal for demanding soldering environments. The 6.5mm chisel shape offers a great balance of precision and heat distribution, making it well-suited for medium-sized joints and general-purpose soldering tasks.

**** Tips are supplied individually. ****
