

GQ-10B-6C

SKU: GQ-10B-6C

Features & Benefits

- ◆ 6mm hoof tip design for efficient heat transfer
- ◆ Compatible with QUICK TS10 Soldering Station
- ◆ Designed for TSS10A Soldering Iron
- ◆ Part of the high-performance TSS10B tip series
- ◆ Ideal for high-heat soldering task
- ◆ Ensures precise and reliable soldering results

About the GQ-10B-6C

The QUICK 6mm Hoof 10B-6C soldering tip is expertly engineered for use with the Quick TS10 Soldering Station and the TSS10A Soldering Iron.

Ideal for demanding high-heat soldering applications, this TSS10B series tip ensures consistent thermal performance and precision, making it a reliable choice for professionals working with larger joints or heat-intensive components.

**** Tips are supplied individually. ****
